- The convenience fee is the cost for shipping a plate to a place of business or residence. The fee includes the postage, packaging, and shipping.
- A registration form will be available and distributed throughout the community. The form will also be available online at [elkcohw.org](http://elkcohw.org).
- Plates may also be purchases directly from Lake City Bank. Lake City will not mail plates, you must go to the bank to get a plate and there will be no charge for a convenience fee.
