## Courthouse Redundancy Fiber Optic Project Elkhart County Highway Department

## **ADDENDUM NO. 1**

## **Answers to Prebid Questions**

- 1. What are the splicing requirements for tie-ins to the existing fiber? The contractor will not splice to the existing fiber. The new fiber cable is to be coiled and spliced in house at a later date.
- 2. What are the depths for the conduit? 32-48 inches
- 3. What type of handholes will be installed? 24x36x30 <a href="https://www.channell.com/product/bulk-4/">https://www.channell.com/product/bulk-4/</a>
- 4. Will the contractor supply all the material? Yes
- 5. Will the contactor be responsible for permitting? Yes.
